

Bug-in 2010 Accommodation Booking

Bug-in 2010 is being hosted in the town of Stanthorpe, located in the Granite Belt region of Southern Queensland.

There are numerous accommodation options in and around Stanthorpe, however the Top of the Town Tourist Village has been chosen as "Bug-in Central" and we think it will be an excellent place to base the events from.

There are plenty of details at www.topoftown.com.au

To try and foster the traditional social atmosphere of Bug-in, we'd love to have as many people as possible staying at Top of the Town... so we've pre-booked a large portion of the village. Bug-in Accommodation is for a minimum of three nights - Friday 2nd April to Sunday 4th April inclusive - however we can arrange extra days prior to or following Bug-in.

If you'd like to stay at Bug-in Central, please just fill out the form with your preference and return it to the details below, and we'll be in touch to confirm your booking and arrange payment.

Please do not send accommodation monies until we've confirmed your booking.
